

## **Privacy Statement**

The site you are visiting, **Stagevoyage**, is wholly owned and operated by **Stagevoyage**. **Stagevoyage** is committed to protecting your privacy and providing a safe online experience with this site. Because we gather certain types of information about the users of this site, we believe you should fully understand our information. This privacy statement discloses what information we gather, how we use it, and how to correct or change it.

We respect your privacy. We acknowledge your need of control over your personal data, which are known, to our company. We use these data for statistical purposes to get an impression of your needs in order to provide you with better service. In order to improve the user-friendliness of our website, we may also analyze your behaviour on the website.

## **Contact Information**

In order to use certain features of our site (for example, signing in for the newsletter or as a student) you will be required to enter contact information (such as your name and email address).

## **IP Address**

We use your IP address to help diagnose problems with our server, and to administer our website. Your IP address is used to gather broad demographic information.

## **Newsletter**

If a user wishes to subscribe to our newsletter, we ask for contact information such as name and email address.

## **Links**

This website contains links to other sites. Please be aware that we are not responsible for the privacy practices of such other sites. We encourage our users to be aware when they leave our site and to read the privacy statements of each and every Website that collects personally identifiable information.

## **Security**

**Stagevoyage** is committed to protecting the information that you and our customers and business partners provide to us. To ensure the appropriate use of the information, **Stagevoyage** has in place appropriate physical and managerial procedures to safeguard the information we collect. Our database and systems employ have access codes and authorized access to your personal
